

➔ Property & Casualty:

Protect your investment

Your business is unique and the way you operate is different from other companies, including the Main Street small business firm down the street. The value your bank brings to every part of your community demands that you have an insurance program designed to get you back up and running immediately after a catastrophic event. The FNBB Insurance Agency, LLC team of insurance professionals has extensive experience working closely with community banks and understands your business. Our team is committed to assisting you in making sound insurance and risk management buying decisions to protect your assets so you can focus on serving your community.

Allow us to perform a comprehensive review of your basic operating procedures and current Property and Casualty Insurance policy. With access to insurance carriers worldwide, we can tailor coverage to your specific needs to help reduce potential financial loss to your institution and shareholders. Once we earn your trust, we go to work to protect your interests and implement your program. And to ensure that you get the best service, our knowledgeable customer representatives will be available for your team at any time.

OUR RANGE OF SOLUTIONS INCLUDE STRUCTURING SOLID INSURANCE PROGRAMS FOR:

- General Liability
- Commercial Automobile
- Property
- Umbrella
- Mortgage Impairment Programs
- Business Interruption and Extra Expense
- Workers' Compensation
- Repossessed Auto Liability and Physical Damage
- Lenders Single Interest Programs

Allow us to review your current insurance policies

FNBB Insurance Agency, LLC can work with you to review and help you understand your current insurance policies purchased through any agent. You will receive a report that will include a summary of your existing program, a peer comparison along with any recommendations for improvements.

Together, we will make sound decisions regarding insurance coverage tailored to your needs.
